We bill after the event.

Our charges are \$5.00 per person for the weekend with a minimum charge of \$200.00.

This includes 3 PortaPotties, electricity, and water.

(There may be surcharges for Handicap and additional PortaPottie requirements.)

\$100.00 deposit required, due upon Rental Agreement Signing.

Cancellation fee is \$50.00, with a 7 day Cancellation notice.

If additional expenses are required, the full amount is required as deposit and is not refundable.

Penalties will be assessed if cleaning and maintenance responsibilities have not been met.

If you're not familiar with the layout of Tanglewood Forest, there is water available only at the gate. There are power outlets at selected locations.

There are no cabins or meeting halls, no feast hall, and no swimming pool.

There are numbered campsites with firepits, you can drive to your campsite to load/unload. Parking at the Campsites is not allowed. The roads are bumpy, but quite firm. There is a small tournament field with stadium lighting for all night activities. We have a primitive cooking area, and picnic tables, and a big area with metal fire pit for a gathering of people. Pets are allowed, but we require all pets have their shots and be maintained on a leash.
